

CALL FOR PAPER

4th INTERNATIONAL CONFERENCE ON ADVANCED STEAM EDUCATION

ICASE-2026

STEAM FOR FUTURE-READY SOCIETIES

INTRODUCTION

Building upon the success of the previous three International Conferences on Advanced STEAM Education (ICASE-2023, ICASE-2024, and ICASE-2025), The University of Faisalabad (TUF) proudly announces the 4th International Conference on Advanced STEAM Education (ICASE-2026). The conference theme, "STEAM for Future Ready Societies," highlights the transformative role of Science, Technology, Engineering, Arts, and Mathematics (STEAM) in preparing individuals, institutions, and communities for the opportunities and challenges of the future. The conference aims to bring together researchers, educators, policymakers, industry leaders, and students to share innovative practices, emerging research, and collaborative strategies that contribute to sustainable, inclusive, and technologically advanced societies.

CALL FOR PAPERS

Researchers, academicians, practitioners, policymakers, students, and industry experts are invited to submit original research papers, case studies, review articles, posters, and innovative educational practices related to STEAM education and allied disciplines on specific themes.
